Sir:

Now comes the undersigned co-inventors of the invention described and claimed in the present application; who declare and aver as follows:

1) We, Yong Seo Cho, Moon Ho Chang, Hun Yeong Koh, Ae Nim Pae and Hyun Jung Kang are the co-inventors of the invention described and claimed in the above-identified application;

2) We are aware of the Korean Chem. Soc., Article "The 91st Nat. meeting of the Korean Chem. Soc., April 18-19, 2003, page 363" and that this article describes the present Applicants' own work;

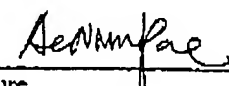

3) Further, although Cha Joo Hwan and Han So Yeup were listed as authors of the article, their contributions to the work leading up to the present invention were routine, and they were listed as authors as a matter of courtesy;

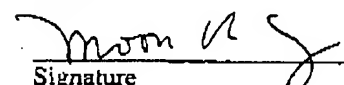

4) However, Chang Moon Ho made important contributions to the work leading up to the present invention and is, thus, listed as a co-inventor.

5) We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these

statements were made with the knowledge that willful false statements and the like so made are punishable by fine, or imprisonment, or both, under *Section 1001 of Title 18 of the United States Code*, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
